Letter from The Governor

Howdy to all the Pacifica Moose Lodge Members,

Wow here we are in September and our Lodge has been closed since March. It has been a struggle to make ends meet but we are doing it with your support. In January we heard of this virus that was going on around the world, never thinking that it would affect us the way it has. The worst feeling is when it became personal. The pain that some of us felt knowing a friend or family member had been diagnosed. I know that somehow, we will all get through this if we all do our part. Face coverings and washing your hands may seem like a simple task.

Unfortunately, all you need to do is drive near the beach and see that for many it is not an easy task. We have put all the required protocols in place with the Health dept. and once we get the OK to open, we will be ready. Your support during this time is especially important. Our commitments are still there. Bills need to be paid. Our support to Mooseheart and Moosehaven must be met. Our Thursday Night take out is working and has been remarkably successful. We encourage you to drop a little extra in the endowment fund when you can. We are working on hosting some outside events in the next couple of months. We did host a U.S. Census training at the lodge, if you have not filled out your form Please do. The Census workers will be knocking on doors who have not sent in the Census forms. Here is what we learned, they will not ask your immigration status or any financial question.

Membership is what drives our Lodge, we need you more now than ever. Check your membership card if it expired please renew. If you know someone that may want to join please ask them. To our new members who are waiting to be enrolled that day will come soon. Moving forward we are going to have fun and enjoy seeing everyone.

Fraternally Yours
Leonard Iniguez

One and Fun!!!

From the Sr Regent:

Hello Co-Workers,

I hope you all are doing well during these unfortunate times. I am happy to announce that we have two WOTM activities coming this month: Our second Car Show and the annual Pacifica Moose Flea Market.

The car show, chaired by Gena Myers, is Saturday September 19th. Come have a hot dog lunch, enjoy the very unique cars and visit the ice cream truck! The following Saturday, September 26th is the flea market chaired by Loretta Morgan.. This year all vendors will be outside. It should be a great sale with lots of people cleaning out during the "shelter in place". Remember for both events only persons wearing masks will be allowed to enter the parking lot.

The children's annual Halloween event has been cancelled this year.

Time to get involved. Pacifica WOTM have over 400 members but less than 5 per cent attend the monthly meetings. Starting this month every member who attends a meeting will be entered into a drawing. Co-workers who have never attended a regular meeting will get three drawing entries for their first meeting. Winning co-workers will be drawn at my last Sr. Regent meeting.

Dealing with this pandemic can be stressful and full of anxiety. Please remember to reach out to other co-workers, friends and family who may need contact. Not only may this help others but can be a way to relieve your own anxiety and stress.

Remember to vote!

Sincerely
Peggy Ussery
Sr Regent

Notes from the administrators office.

Hello Brothers and Co Workers,

It's official "One Moose". Now, we are all referred to as "Moose Members". Equality at last.

I just want to say hi and hope everyone is staying safe during this temporary set-back. We are working very hard to be ready for our re-opening when its allowed.

I want to share some very exciting news with all of you. Our Moose International is helping to create some interest in our Lodges and in Moose membership as a whole. So I would like to introduce to you our very own Nascar "Team Moose" this is something you can share with potential members, Instant comradery with all Moose. Please read the article below.

Hope to see you all soon.

Fraternally Yours
Rich Russitano
Administrator

Ross Chastain:

NASCAR's busiest driver, Ross Chastain, is a 12th-generation farmer and eighth-generation watermelon farmer from Alva, Fla. When not working in the field, Chastain competes in all three of NASCAR's top-tier series. His most recent victory was at Daytona International Speedway (July 2019) when he took the green-and-white checkered flag to win Stage One and led 49 of the 100 laps before driving into Victory Lane.

Moose/Kaulig Racing Partnership:

"There are a lot of our members, and potential members, who are committed fans of NASCAR racing," according to Director General Scott Hart. "We were offered the chance to promote the Fraternity to this influential group of Individuals, and after talking with Ross Chastain and the Kaulig racing team, felt comfortable that this partnership could bring not only excitement for our members, but a unique focus to our missions of helping children, seniors and communities."

Why Advertise:

We have a lot of NASCAR fans as members, and even more out there that are potential members. We were offered a unique opportunity to partner with Kaulig Racing for part of this season, one in which NASCAR viewership is steady and strong during the COVID-19 pandemic. We were also afforded the chance to associate with a very charismatic and capable driver in Ross Chastain. Ross has finished no lower than ninth during his last ten races, and comes from a strong family background that reflects the values of the Moose.

We realize that membership promotion has been difficult throughout the years, and with the pandemic it has proven to be a bigger obstacle. Without members, it becomes an even greater challenge to support our missions of helping children in need at Mooseheart, seniors at Moosehaven, and the communities in which we operate. It's also harder for our lodges to operate without members supplying income and volunteer support. Moose International has rarely advertised nationally in the past, but we are committed to making changes in our strategy to try to achieve a more positive result for our lodges and our missions moving forward.

From the Legion Committee

Hello Brother Legionnaires and General Members,

During the closing of our lodge it has given us time to refresh and clean the lodge.

As we move forward trying to find ways to host events for our membership, we are starting to plan some outdoor events for the Lodge. Our first one will be a Sunday Pancakes breakfast on Sept. 20th if it works and we can socially distance then we will move forward with other events that we can do outdoors. If you have any Ideas please let us know, anything is on the table.

We will be helping the Women of the Moose with a couple of events. They are hosting a car show and a flea market.

Remember to renew your membership. Sponsor new members. We are continuing with our membership drive. All new Legion members will be receiving \$20.00 in coupons and sponsoring members will receive \$10.00 in coupons

We have all of our required protocols in place with the health Dept. and once we get the go ahead to open, we are ready!

Our Lodge needs your support. Anything you can do to make us more successful is welcomed.

Let us not lose sight of the big Picture! We are here to serve the community which includes Mooseheart and Moosehaven and our membership.

Fraternally yours,

Your Moose Legion Committee,
Leonard Iniguez
